

## Interest Groups

During this past year (2016-17) all of our Interest Groups had successful programs and meetings. At present we have 21 Groups. This year we added a Photography Group and expanded the Mah Jongg group to include Canasta. Several of our groups have new coordinators. These included Adventures in Soliel - Jana Wheaty, Word Games - Sue Doyle and Pins and Needles-Mary Ann Williams and Pat Luczai. During this summer, I plan to update Cathy Kinn's Calendar for AAUW Interest Groups and send it to all of the Coordinators. All Coordinators have been asked to think about Open House and to encourage their members to provide names of possible new member for 2017-18.
