

Public Policy  
Patricia DeLeo

Our year began by sponsoring a Meet the Candidates night for State Judge. It was a well attended event. We participated in 2 demonstrations on the Walkway. The first was in support of Women March on Washington (which several members attended in Washington ) and the second was in support of gun safety. An active distribution list is in place and subscribers have been receiving state and federal updates and requests for action. Hundreds of hits on the Two Minute Activist have advanced our agenda. Ten articles on AAUW topics and priorities have appeared in our newsletter.
