Extending Girls' Horizons is a collaboration between the Poughkeepsie Branch of AAUW and the Girl Scouts for girls in grades 6-12. AAUW provides the programs and presenters, and arranges supplies and free venues, while the Girl Scouts provide publicity, chaperonage, and insurance. All AAUW members are invited to join us in planning and/or helping at events, and are welcome to just come and see what we do.

Note: All money is handled through the New Oaks Girl Scout Service Unit Treasurer, Beth MaGahey. The Girl Scouts allocate \$100.00 annually to the project to match Poughkeepsie AAUW's contribution. We try to break even, and this year we ran a slight surplus.
