ART WORK
From
Creation to
Conservation

Ellen Rand will share her non-traditional journey from art-school-dropout to art foundry employee to owner of Rand Atelier, LLC and co-owner of Monumenta Art Conservation & Finishing, LLC, currently one of the most well-respected firms specializing in the care, conservation and repainting of large outdoor sculptures. The talk will be illustrated with fascinating treatments of artworks by familiar 20th century artists, work trips to interesting locales, and anecdotes & reflections on being a tool-and-machinery-using woman in a male-dominated field.
